KS2 gem party

The KS2 children will have a gem afternoon on Friday, 9th May. They may wear their home clothes and bring a game in to school to share. The year 6 children will also be auctioning 20 new books to the rest of the class. The books will not be sold for any more than £5 each. Please can you let your child know his or her maximum spend limit and how many books they can buy? The children will be asked to bring the money in the following week. There will also be some second hand books in an ordinary sale.

SATs week

A polite request to parents from Mrs Elsom: please could you speak to someone in the office if they have messages for KS2 staff in SATs week (12th-16th May) or make an appointment if they would like to speak to Mrs Elsom after school? Thank you.

Skipping ropes

Mrs May has organised for all the children to have their own skipping ropes to keep at school. She would like them to bring in a named label and coloured duck tape/any form of identification to personalise their own skipping rope please.

PTA

A huge thanks to all the PTA members and the children who helped make the Spring Fayre a success. A special thanks to Bob Sparkes who donated all the plants for the sale. There were a few plants left over from the sale and we would like to hold a plant sale on Wednesday to finish selling these.

We are also grateful to the PTA for funding hockey sticks/balls for the new club, water coolers (in both classes) and some new play equipment and storage boxes. Please find attached minutes of the last PTA meeting.

Western Daily Press competition

This newspaper is offering a total of £15,000 cash to schools if they complete an entry form stating why their school of choice should win. Entry forms need to be returned by 8th May and are displayed in the paper. I would imagine the more entries they receive the more likely we are to win a prize! The form is simple and so if you do have the opportunity, please enter and encourage your relatives and friends!

Wells Junior Chess club

Michael and Devlina are setting up a chess club every Tuesday (term time), starting 2nd June (6.30 - 7.30pm) which will take place in the Sparks building (Stoberry Park School car park). Please find information sheet attached.

Yours sincerely,

Sue Lidgey
