Professional Development

Mrs May will be in the KS1 classroom on Tuesday as I will be in the office.

Horse Race Night

A big thank you to the PTA for all their efforts in organising the Horse Race Night. The event was a huge success and a grand total of £1800 was raised to share between the PTA and the Pre-School.

Workbench

Mrs Leach has a plea - if anyone has a wooden work bench at home that they are prepared to lend (or sell!) to KS2, she would be very grateful. The children need this for cutting materials for their DT project which is making chairs.

Football

There is a football tournament at Central School on Wednesday, 6th February from 3.45 - 5.00 pm. The following children are keen to play: Ben, Sam, James, Yasmin, Ollie, George, Daniel, Emily and Kieran. If you do not wish for your child to take part, please let me know. I am unable to accompany the children on this occasion - so it is important for you to transport and supervise your child.

Disability Equality Support Policy

It is a statutory duty of all schools to have a Disability Equality Support policy. It is therefore my duty to ask - if any parents find access to the school difficult due to any form of disability, please visit the office and let me know.

Yours sincerely,

Sue Lidgey
